### **Statement on Federal Compensation for Losses Incurred in the Bandelier National Monument Fire**

*May 26, 2000*

This administration is committed to ensuring that all those who have been affected by the fire that began at Bandelier National\* Monument are fully compensated for their losses. At this time, we are working with the New Mexico delegation to craft legislation that would govern Federal compensation and make available the funds needed to pay for this legislation. We are committed to working with the Congress to ensure that this matter is addressed as promptly as possible.

### **Proclamation 7314—To Modify the Quantitative Limitations Applicable to Imports of Wheat Gluten**

*May 26, 2000*

*By the President of the United States of America*

#### **A Proclamation**

1. On May 30, 1998, pursuant to section 203 of the Trade Act of 1974, as amended (the “Trade Act”) (19 U.S.C. 2253), I issued Proclamation 7103, which imposed quantitative limitations on certain wheat gluten imports provided for in subheadings 1109.00.10 and 1109.00.90 of the Harmonized Tariff Schedule of the United States (HTS) for a period of 3 years plus 1 day, with annual increases in such quota limits of 6 percent during the second and the third year. I exempted imports of wheat gluten that is the product of certain countries, including designated beneficiary countries under the Generalized System of Preferences (“GSP countries”), from the application of the quantitative limitations.

2. On December 1, 1999, the United States International Trade Commission (USITC) issued a report, as required under section 204(a)(2) of the Trade Act (19 U.S.C.

2254(a)(2)), on the results of its monitoring of developments with respect to the domestic wheat gluten industry. The USITC report notes that in the 12-month period prior to the imposition of the quota (June 1, 1997–May 31, 1998), 440,000 pounds of wheat gluten entered the United States from Poland. During the first quota year (June 1, 1998–May 31, 1999), imports from Poland grew to 5,004,000 pounds, or more than eleven times the amount of the previous year, accounting for 2.9 percent of total U.S. imports. The USITC report has been provided to me (Investigation Number TA–204–2). More recent data from the United States Customs Service indicate that in the first 10 months of the second quota year (June 1999–March 2000), imports from Poland totaled 8,965,800 pounds, accounting for 6.9 percent of total U.S. imports.

3. Section 204(b)(1)(A) of the Trade Act (19 U.S.C. 2254(b)(1)(A)) authorizes the President, after taking into account the report of the USITC required under section 204(a)(2) of the Trade Act and seeking advice from the Secretary of Commerce and the Secretary of Labor, to reduce, modify, or terminate an action taken under section 203 of the Trade Act when the President determines that changed economic circumstances so warrant.

4. After taking into account the information provided in the USITC’s report, and after receiving advice from the Secretary of Commerce and the Secretary of Labor, I have determined, on the basis that increased imports of wheat gluten the product of Poland have impaired the effectiveness of the action I proclaimed in 1998 under section 203 of the Trade Act, that changed economic circumstances warrant a modification in the action. Accordingly, I have decided to include in the action imports of wheat gluten the product of Poland, beginning June 1, 2000.

5. Pursuant to section 203(g) of the Trade Act (19 U.S.C. 2253(g)), I have further determined to provide for the efficient and fair administration of the quantitative limitation on imports of wheat gluten by allocating on a quarterly basis the quantitative limitations applicable during the third year of the action.

6. Pursuant to section 503(b)(2) of the Trade Act (19 U.S.C. 2463(b)(2)), no article
